

ERRATA

Quality and Safety in Radiotherapy

Practice Exercise 11 — Page 386

The formulas for steps 1 and 3 should read as follows:

1. $\bar{x} = \frac{1}{N} \sum x = \underline{\hspace{2cm}}$

3. $m\bar{R} = \frac{1}{N-1} \sum_{j=2}^N |x_j - x_{j-1}| = \underline{\hspace{2cm}}$
